PLANNING A-Z

Gastronomy

Caesar Ritz, king of the hoteliers, and his chef August Escoffier were already closely associated with Hünigen Castle. They acquired a large piece of land from the von May family and founded the Bernese Alpine Milk Company on it.

More than 800 years of history are an obligation. So we look after our Schloss Hünigen with great care and attention to detail and let this dedication flow into our culinary and hospitality.

Our cuisine is fresh, regional, sustainable and always with a wink in the direction of Escoffier. At Schloss Hünigen you should feel like God in France or at least on a warm summer evening in Provence.

Internet

We offer free internet access in the whole hotel. You will get your login details at check-in.

List of participants

We kindly ask you to send us the list of overnight participants until 1 week before the event.

We will accept the definitive number of persons up to 48 hours before arrival, this number is binding. For all further details, please refer to our General Terms and Conditions.

Lunch

We offer a varied lunch buffet at noon. Various salads, antipasti followed by quiche, stews and freshly prepared meat and vegetable specialities through to the dessert buffet, everyone can help themselves to whatever they fancy. The varied offer thus provides your guests with an individual lunch break.

PLANNING A-Z
